CFA Level 1 Candidate • FMVA® Candidate (CFI)

## PROFESSIONAL SUMMARY

ACCA Qualified and CA Finalist finance professional with over 3.5 years of progressive experience at BDO Pakistan, a Big-4-affiliated firm. Specialized expertise in Deal Advisory (M&A, Financial Due Diligence, Valuation), External Audit, Internal Audit, and Risk Advisory across Healthcare, Banking, FMCG, Manufacturing, NGO, and Financial Services sectors. Demonstrated track record of delivering regulatory compliance under IFRS, ISA, and SBP frameworks, identifying multi-million rupee risk exposures, and leading large-scale engagements from planning through completion. Currently pursuing CFA Level 1 and FMVA® certification to deepen expertise in financial modelling, valuation, and investment analysis.

## CORE COMPETENCIES

|                                              |                                                  |
|----------------------------------------------|--------------------------------------------------|
| • Deal Advisory – M&A / Transaction Advisory | • Financial Due Diligence (Buy-Side & Sell-Side) |
| • Quality of Earnings (QoE) Analysis         | • DCF Valuation / Comparable Company Analysis    |
| • Precedent Transactions Analysis            | • Working Capital Assessment & Normalization     |
| • EBITDA Normalization & Adjustment          | • Post-Merger Integration (PMI) Support          |
| • External Audit (ISA / IFRS)                | • Internal Audit & Risk Advisory                 |
| • IFRS 3 / 9 / 15 / 16 / 40                  | • SBP / SECP / PSX / CCP Compliance              |
| • Financial Statement Analysis               | • Internal Control Frameworks                    |
| • Team Leadership & Stakeholder Management   | • ACL Analytics / CaseWare / Oracle Financials   |

## KEY ACHIEVEMENTS

- Resolved foreign currency translation gaps worth \$500K during the Zenergy (China) consolidation audit, ensuring full IFRS compliance.
- Detected PKR 8M in inventory discrepancies during the Ittehad Chemicals (listed entity) audit, preventing material misstatement.
- Identified PKR 20M+ in cost-saving opportunities through process optimization across multiple internal audit engagements.
- Designed and implemented internal control frameworks for Parvaaz (NBFC) and PSDF, reducing operational risks by 35%.
- Automated audit workflows using ACL Analytics and CaseWare, cutting fieldwork time by 30%.
- Led 15+ simultaneous audit engagements spanning JCI-accredited hospitals, banking, FMCG, and NGO sectors.
- Successfully applied IFRS 9, 15, and 16 for banking clients, ensuring first-time adoption and reducing compliance risk.
- Contributed to M&A transactions reshaping Pakistan's IT services and telecom sectors, enhancing digital transformation capabilities.

## PROFESSIONAL EXPERIENCE

**Deal Advisory Analyst – M&A and Transaction Advisory** | **BDO Pakistan** | January 2026 – Present

### Financial Due Diligence & Quality of Earnings

- Executed buy-side and sell-side financial due diligence engagements, conducting Quality of Earnings (QoE) analysis, working capital assessments, and net debt analysis for large-scale M&A transactions.
- Reviewed and analyzed historical financial statements (3–5 years) to identify normalized EBITDA, non-recurring items, and key deal risks impacting valuation and Sale & Purchase Agreement (SPA) negotiations.
- Assessed accounting policies, revenue recognition practices, and financial reporting quality in accordance with IFRS standards to identify potential red flags and disclosure risks.

### Valuation & Financial Modeling

- Built and reviewed enterprise valuation models including Discounted Cash Flow (DCF), Comparable Companies Analysis (Comps), and Precedent Transactions Analysis to support transaction decision-making and pricing.
- Prepared valuation summaries, transaction memoranda, regulatory submissions, and management presentations for listed and large unlisted entities.

## Regulatory Compliance & Post-Merger Integration

- Coordinated with legal, tax, and regulatory advisors to ensure transaction compliance with SECP, PSX, and Competition Commission of Pakistan (CCP) requirements.
- Supported Post-Merger Integration (PMI) planning, including financial reporting alignment, internal control integration, and intercompany reconciliation.

## Audit Senior – External Audit | BDO Pakistan | July 2024 – December 2025

- Managed end-to-end statutory audits for Avari Group's 7 subsidiaries, ensuring compliance with IFRS 16 and CERP standards.
- Led the Zonergy (China) audit engagement, resolving foreign currency translation gaps of \$500K and producing consolidated financials.
- Conducted SBP-mandated Current Account Deficit (CAD) assessments for National Bank of Pakistan (NBP), streamlining regulatory reporting.
- Audited Ittehad Chemicals Limited's financial statements under ISA 700/705, detecting PKR 8M in inventory discrepancies.
- Led JCI accreditation audits for Shaukat Khanum Memorial Cancer Hospital and Evercare Hospital, ensuring ISA 800/805 compliance.

## Internal Audit Senior – Risk Advisory | BDO Pakistan | November 2022 – June 2024

- Designed comprehensive internal control frameworks for Parvaaz (NBFC) and PSDF, reducing operational risks by 35%.
- Identified PKR 20M+ in cost-saving opportunities through process optimization and control gap analyses.
- Automated audit fieldwork using ACL Analytics and CaseWare, reducing engagement time by 30%.
- Developed sustainability compliance reports for Karvaan Crafts Foundation, aligning deliverables with UN Sustainable Development Goals (SDGs).
- Supervised and mentored junior associates, conducting performance reviews and on-the-job technical coaching.
